MIDDLETOWN, DEL., OCT. 18, 1902.

TO-DAY, October 18th, is the last day of registration. Are you qualified Mr. Republican? Do not allow this day to pass, as the opportunity will not return again this year.

G. W. W. NAUDAIN

In the midst of the hearing of a contested election case on Tuesday the Republican County Committee was shocked to hear this announcement, "Mr. G. W. W. Naudain, a member of this committee from West St. Georges Hundred dropped dead at Fourth and Broome streets, this afternoon." There was present nearly the full membership of the committee, and so deeply were the members affected that for a time all interest in the case ceased and business was entirely suspended. The shock to his fellow citizens of this town, was as great or greater. Leaving here as he did, at 10.23, apparently in better health than usual, his purpose being to return the next day after spending the night with his brother, it seemed almost incredible to believe that the sad news could be true.

Mr. Naudain will be sorely missed by all classes in this community. As President of Town Council, President of the Peoples Bank, President of the Middletown Manufacturing Company, besides his other relations, he was brought into daily contact with large numbers of our citizens. To all he was uniformly cordial. While not born in this town, he came here in his early manhood and all of his interests were here. As a merchant his success was due entirely to his honesty and fair dealing.

After his retirement from active business he devoted himself largely to the upbuilding of the town which he loved. He was largely instrumental in securing to the town its new industries especially the shirt factory and was ever ready to give of his time and means to and in promoting the welfare of the community.

As a Republican Mr. Naudain was known throughout the State for his sturdy opposition to all measures which he considered to be opposed to the best interests of the State and his party. When the interests of these two appeared to conflict, there was no hesitation on his part in opposing the party. His first fealty was to his State. While he never held public office, his advice and counsel was always welcomed, and was freely given when sought. Many knew him and all admired and respected the man for what he was,—one of nature's noblemen.

COAL IN SIGHT

Thanks to the ability and determination of President Theodore Roosevelt, the long struggle between the miners and operators of the anthracite coal mines has ended in a compromise. The miners gain in that the principle of arbitration is recognized and the operators refuse to deal with the Union, but grant arbitration to the several miners as such. The President has selected an able body of arbitrators, the six men named being the best in their several professions. Delaware is honored by having Judge Gray named as one of them.

It is now time to mine coal and we have no doubt that the miners are as anxious to go to work as the consumer is to get coal. After five months idleness, of course, there will be many repairs to be made and it may be three or four weeks before the mines are running at their full capacity. In the meantime, there will be enough shipped to give everyone some coal, and the danger of suffering is largely removed.

SPECIAL SESSION

Just what is to be gained by the special session of the Legislature which it is announced Governor Hunn intends to call to meet on Monday the 20th inst. is not at this time clear. True, there is yet time to elect two United States Senators. But, can or will it be done? The members of the General Assembly on Monday will be the same men and presumably of the same mind, as on closing day of the session of 1901, when seven Republicans, two Senators and five Representatives refused to vote for Mr. Addicks. Should these still refuse, no election can be secured, and if too much pressure should be applied it is in their power with the help of the Democrats to adjourn the Legislature.

FIFTIETH ANNIVERSARY

ST. GEORGES, Oct. 17th, 1901.

All day services were held in the M. E. Church on Sunday, commerative of its fiftieth anniversary. The severe storm in the morning interferred in a measure with the services, but a fair sized congregation greeted the speaker, Rev. W. N. Dawson, of Wesley Church, Wilmington, who preached the word very acceptably. The afternoon exercises commenced with a song service, followed by a brief history of the church by the pastor, Rev. J. H. Geoghegan, after which Rev. W. G. Koons, of New Castle delivered an able sermon. The evening service started with the Epworth League at seven o'clock, Rev. Dr. J. R. Milligan, of the Presbyterian Church, made an interesting address on the league topic, which was very much enjoyed. Rev. E. H. Collins, of Lewisville, Pa., a former pastor, preached the evening sermon. The musical program of the day was wonderfully helped by Mr. D. Holten Roberts, of Philadelphia, who very kindly rendered some of his beautiful selections at each service. His solo "Beyond the Gates of Paradise," was especially enjoyed. The choir was also assisted at the evening service by Miss R. T. Cann and Mrs. Margaret Reybold, of the Presbyterian Church. Special services have been held this week. Preaching by Rev. L. W. Layfield, of Camden, on Tuesday evening; Rev. W. N. Dawson, of Wilmington, Wednesday evening; Rev. Dr. J. R. Milligan on Thursday evening, and Rev. S. O. Gibbons on Friday evening. Next week Rev. B. F. Jester, of Bozmans, Md., will be present and assist in the meetings. A great revival is earnestly hoped for by the pastor and his people.

Black Suits
$10 to $27.50

There is every reason why a man, who wants to make his clothes-money do the most for the year, should buy a black suit, and there's every reason why he should buy it at a store that he knows can and will do the best for him.

Black can be worn more days in the year, and more hours in the day, than any other color. It can be bought, by the big clothier, in largest quantities, and so bring the cloth to the lowest possible price.

Another thing: a clothier, who makes his own suits and charges his store nothing for the making, can sell a suit from $3 to $5 either better or cheaper than a mere seller of clothing can. The manufacturer has to make some money; and besides, he's got his salesmen to pay and office expenses and all that.

It's a matter of common-sense.

When you're here look at the beautiful unfinished worsted suits at $15, $16.50, $18 and $20. If they get a little better than this, what in the world is the poor tailor going to do?

If your house needs painting, paint it now—this fall—with *THE SHERWIN-WILLIAMS PAINT.* Here are some of the reasons why you should do so.

1. The weather is settled and you don't have to contend with the spring rains.
2. You will protect it against the winter's snows and storms.
3. You will avoid the annoyance of gnats, flies, and other insects sticking to the surface.
4. There is likely to be less moisture in it now than any other time; moisture is what often causes blistering, cracking, and like troubles.
5. S. W. P. costs less by the job than any other paint because it wears longest, covers most, looks best, and is most economical.
6. S. W. P. is best because it's made from best materials—pure lead, pure zinc, and pure linseed oil. It always satisfies; never goes wrong if righty used.

MIDDLETOWN SHOOTING ASSOCIATION

There was a hot three cornered race at the Middletown Shooting Association's grounds on Thursday afternoon, the 16th inst., for the club's silver medal.

Instead of the old system of handicaping, it was decided to shoot a distance handicap. Burris, the only bald-headed member in our ranks, walked away with the trophy in truly impressive style, and he proved it to be no fluke by also taking the other two events; in fact, it was only when he struck a shell with no shot in it that he fell down. Here's hoping he makes as good a race of it on election day.

Following are the scores:

Medal contest, 25 targets, distance handicap—Burris broke 23 from 16 yard mark; Kates broke 18 from 16 yard mark; Barnard broke 20 from 18 yard mark.

Event No. 1, 10 targets—Burris, 8; Kates, 6; Barnard, 7.

Event No. 2, 15 targets—Burris, 11; Kates, 10; Willits, 10; Barnard, 10.

TOWNSEND—CHEAIRS

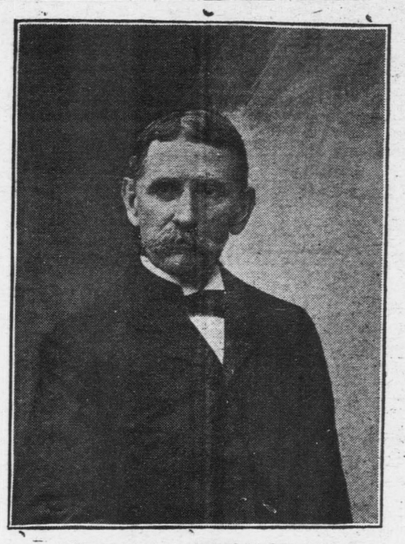
The wedding of Miss Helen Cheairs of Delaware City, and S. D. Townsend of Chambersburg, Pa., took place Thursday evening at 6.30 o'clock in Christ Episcopal Church, Delaware City, the ceremony was performed by Rev. William Hamilton, rector of the church. The bride was attended by Mrs. Manning, of Trenton, N. J., as matron of honor, and four bridesmaids and four ushers. The bride was given away by her father. L. Scott Townsend, of Wilmington, acted as best man. After the ceremony a reception was held at the bride's home near Delaware City, where only the families of the bride and groom were present.

OBITUARY

The sad news of the sudden death of Mr. George W. W. Naudain was the message that came flashing o'er the wires Tuesday afternoon, and cast a shadow of desolation and mourning not only to his own hearthstone, but to all who knew him.

He took the 10.23 train Tuesday morning for Wilmington, to attend to some business matters, and later to attend the meeting of the Republican County Committee, of which he was a member. At noon he went out on the western side of the city to call on friends, and was returning to the committtee meeting, when he was stricken at Fourth and Broome streets.

He was seen to fall by Mr. Melchior, of No. 311 Broome street, and by another man, who hastened to his assistance. Dr Willard Smith was hastily summoned, but on his arrival a few minutes later he found Mr. Naudain to be dead. He



GEORGE W. W. NAUDAIN.

must have died instantly. The body was removed to Undertaker Chandler's establishment, who prepared it for shipment to Mr. Naudain's late home in this town, where it arrived at the depot Tuesday evening at 7.50.

Mr. George W. W. Naudain was a son of Elias and Martha Naudain, and was born near Hillsboro, Highland County, Ohio, on September 26th, 1838. He was a lineal descendent of Elias Naudain, who fled from France in 1861 to escape the persecution of the Huguenots.

He was educated in the public schools of Highland County, Ohio, and in 1853 he became a clerk in the store of his uncle, J. A. Eliason, in Middletown. In 1865, at the death of his uncle, he succeeded to the business. He was very successful and in 1888 he retired from mercantile life. Since then he has lived a retired life.

Mr. Naudain was president of the town commissioners of Middletown, and one of the organizers of the People's Bank in 1883, and at the time of his death was its President. In 1892 he became President of the Middletown Improvement Company, which has figured much in the development of the town. He was a staunch Republican, always active in his party's affairs, and had been a candidate for office, although he never filled a public office. He was a member of Union Lodge, A. F. and A. M., and Union Lodge, No. 6, A. O. U. W. He also was a member of the Presbyterian Church and for twenty-eight years had been a trustee of Forest Church in Middletown.

Mr. Naudain was a man of sound judgement and rare business sagacity, and was identified with every progressive movement of the town, was a useful and valued citizen, and always found on the right side of every question pertaining to the moral and social welfare of the community.

Mr. Naudain was a man of unresting energy, and his life was one of toil. He was careful and considerate of the comfort of others, and at all times and in all places was a courteous, christian gentleman.

In 1869 Mr. Naudian was married to Kate, daughter of Andrew and Lydia (Cann) Eliason. He is survived by his devoted wife and three daughters—Mrs. Williard B. Biggs, Misses Helen and Katherine Naudain.

The funeral from his late residence took place Friday afternoon and was largely attended. His pastor Rev. F. H. Moore, D. D., had charge of the services, and the remains were viewed by a great throng of friends and neighbors who came to take a last fond look at the familiar face. The remains were entered in Forest Cemetery. The bearers were: T. C. Cruikshank, G. L. Townsend Sr., G. D. Kelley, J. F. McWhorter, William Brockson, and J. F. Deakyne.

MINERS WILL RETURN TO WORK

WILKESBARRE, October, 16th, 1902.

Within a week the 147,000 striking anthracite mine workers will return to work. Their national president, John Mitchell, to-night issued a call for a delegate convention to meet in this city next Monday morning at 10 o'clock. It is expected that this convention will accept the proposition submitted to Mr. Mitchell by President Roosevelt and endorsed today by the executive boards of three anthracite districts.

It may take all of Monday to organize the convention. Nearly, if not quite, all of Tuesday will be spent in considering the proposition. It may be accepted Tuesday evening. If it is, work will be resumed on Thursday. One day at least will intervene between the decision of the convention and the resumption of work.

TOWNSEND NOTES

Prof. H. K. McCabe visited Newark on Saturday.

Miss Anna Sharpless spent Sunday with her parents near Landenburg, Pa.

Miss Emma Smith spent several days of this week visiting friends in Baltimore, Md.

The colored school of Townsend opened on Mouday, with Miss Ferguson as teacher.

W. Harman Reynolds has returned from Philadelphia, where he has been attending a convention of carriage dealers.

The slate roof on the new Townsend M. E. Church is completed, and preparations are being made for putting on the metal ceiling.

The Q. A. and K. freight train was derailed on the cannery switch at Townsend, Tuesday. Fortunately no one was hurt or no serious damage was done.

In the absence of Rev. J. H. Beauchamp, who was assisting Dr. C. A. Wyatt, of Middletown, the pulpit of Townsend M. E. Church, was filled last Sunday by Rev. Mr. Johnson, of Dover.

Mrs. Dennis A. Goldsborough gave a party Thursday evening, October, 16th, in honor of the 14th birthday of her daughter, Mattie. About 25 of her young friends were present, and the occasion was a pleasant one. Miss Goldsborough received some beautiful and useful presents.

Mr. Cornelius Davis, Jr., was the victim of a pratical joke on one evening last week. While he was attending services at Union Church, some one changed the wheels on his carriage, putting the hind wheels in front and the fore wheels behind. Mr. Davis was so enamoured with the charms of his fair companion, that he did not notice the trick until he arrived home.

Miss Alma Finley, of this town, and Mr. Harold Whitehouse, of Wilmington, were married at the home of the bride on Wednesday afternoon, at 2 oclock. The ceremony was performed by Rev. O. G. Buddington, pastor of Bethany Baptist Church of Wilmington. The room was very prettily decorated with flowers, autumn leaves and potted plants. The bride and groom were accompanied to the depot by a party of friends, where they took the 4.07 express for Philadelphia. They will visit Niagara Falls and other points of interest on their trip.

A very pretty sight these October days is afforded by the delicate creeping vine of the wild cranberry, which are often found running by the wayside this time of the year.
